St. Joseph Regional High School
2008 Lacrosse Yearbook

It's time for our 2008 fund drive, soliciting your help for the annual Lacrosse Journal. This is one of our primary means of fundraising, the one time of year that we endeavor to enlist the support of the entire community.

Every year the Lacrosse Attack Club has provided the funding for new uniforms, lacrosse apparal, snacks and transportation for away games, and an inaugural youth tournament hosted by St. Joe's lacrosse team. None of this could have been accomplished without your understanding and generous support.
